

## Hardship Grant Application

For a youth player who wants to compete in the Great Lakes Classic but cannot afford to attend. A parent or guardian fills this out. Return it by email to foosballclubsusa@gmail.com.

Hardship grants are awarded by Foosball Clubs USA based on financial need. Funds are paid toward the student's eligible costs (registration, travel, lodging, or equipment), not as cash to the family. One grant may be split among more than one student. Foosball Clubs USA selects the recipients.
